Tourist of the Week

Photo by Sandy Jennings

Charles Furnweger and Helen Campbell of Sugarland traveled to Bandera for the Texas Bluebonnet Casita Rally. They proudly displayed the oldest camper in the rally, bought in 1969, and nicknamed "The Wild Thing." This is Charles and Helen's first trip to Bandera and they were joined by family members Wayne and Rosie Furnweger, who displayed the newest Casita, purchased on the way to the rally. The Furnwegers all agreed that the beautiful scenic hill country mixed with the fun camaraderie of the Casita family made this trip unforgettable.
